## The Beginning of Something New

You may recall the discussion that was begun at Vestry a couple of weeks ago about new ministries being dreamed of and "visioned" here in our community. The first step is that we need to hear everyone's ideas and ministry possibilities and then find people ready to begin to develop those dreams and turn them into reality.

If you think you have a great new ministry idea ... even if it's only the "bare bones" of an idea ... you need to share that with Rev'd Paul or the wardens so we can all help each other bring those dreams into being.

This is the beginning of something new, let's see where God leads us on this new journey together ....

*Watch THIS SPOT in our weekly bulletin for ideas and possibilities being thought up and for your chance to sign up to become a part of these new ministries*
